MEMORANDUM FOR: See Distribution

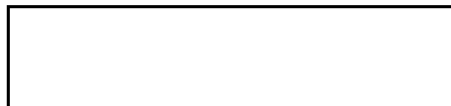

25X1 FROM :
Chief, Legislation Division, OLC

SUBJECT : S. 446, "EEO for the Handicapped Act
of 1979"

1. Subject bill would amend Title VII of the Civil Rights Act of 1964 to prohibit discrimination against individuals because they are handicapped.

2. As we anticipate that this bill will receive little or no opposition, it is deemed likely that it will be passed upon rather quickly by the Senate Committee on Human Resources to which it has been referred.

3. If you have comments please contact Mr.
who is responsible for this issue.
